Action Will Probably Not Be Taker by President Wilson Before His Return From Vacation Sometime is July ...

Term of Governor Frear Is Extended Until September to Clean Up Business for the Incoming Administration, He Says.

Prom Wednesday Advertiser.)

(By Federal Wireless Telegraph.) SAN FRANCISCO, June 17. -(Special to The Advertiser)-Expressing the atmost confidence that he will be appointed Governor of Hawaii by President Wilson, Cilbert J. Waller is in San Francisco after spending two months in Washington and other Eastern cities.

"The President," said Mr. Waller, "is engaged busily in carrying out tariff and currency reforms and sonsequently he has had but little time to devote to appointments, but he has settled very firmly the important positions to be filled.

"Secretary of the Interior Franklin K. Lane has turned over all papers affecting the Hawaiian situation and all available information as to the candidates themselves to the President.

der that all pending matters may be eleared up for the incoming administration.

"My friends in Honolulu who have expressed anxiety that my chances of appointment have been jeopardized by reason of my religious affiliation may rest assured that the opposition to me on that score had never been considered a Washington the moment the secretary of the interior was nequainted with the facts.

Just before leaving Washington I had a very pleasant interview with Secretary Lane, during which he said he would like very much to visit Hawaii and I urged him to come.

"The numerous statements from friends residing in Hawaii is sup-premented by those of many prominent professional and business have every confidence, bear weight with the President. The assurmee of the support of a large number of Democratic senators makes my prospects appear very bright.

Mr. Waller is visiting with his family around the bay and will re-

When a bottle of it is kept in the house the pain of batus and scales the departments, the appropriation for half sumy be promptly relieved, ents and wellings the braises quiezly healed and awellings remomptly reduced. In fact, for the household ills it is just such an embrocation as every family should be produced. Supervisor M, C. Fuchese gave notice, after the reading of the repart of the garbage department that he purposed the scene. The latter pursued the raiders and inflieted heavy loss in a brief engagement.

BUDGET FOR CITY Gaviota Brand IS APPROVED BY

(From Wendaladay Advertiser)

Amproporting \$277,335, the budget of salaries and general expenses of the ily government for the fregil term be ginning July I and ending Desember III. 1943, passed its first reading before the board of supervisors at the regular weekly meeting last night. Two more readings will be taken on the budget before it will become an adopted reso lution and policy of the civic govern-

The budget as read at the board meeting last evening fulfilled in all respects the account, published in The Advertiser following the special can-cuses held Sunday afternoon and even-ing and Monday night by the board in preparing the resolution. As passed at the first reading last night, the modest totals the appropriations and salaries for each department of the city by the month and for the entire ensuing fiscal term, but in most cases the precise in creases and raises in donations and stingeds are recovered.

At the meeting of the board last evening, Supervisors John H. Matkinto, Edward H. P. Wolter and Lester Pe trie, composing a special committee for the investigation of public dance balls reported that they had visited the pures operated ender city liceuse and found that the dances were being conducted in an orderly and respectful manner. The board ordered the sati-

Atkinson Park and Kalihiswanna Park be provided with slides and swings from the funds of the maintainance of parks appropriation. On the new budget prepared by the board, this appropriation was specifically increased to provide for the installation of those play

Gfles Submits Report.

Apropos of the recommendation, a communication was noted at the board meeting hast evening from H. A. Glie-president of the Men's Club of the dio cese of the Episcopal Church, Cilica was the petitioner who first called the board's attention to the building of board's attention to the building of other playgrounds for children beside the one in Beretania street. In the communication read at the board meet-ing last night, Giles reported that he had investigated the cost of equipping such a playground and found that the total amounted to \$500. This would provide for two slides, a pyramid swing and an ordinary frame of three swings (Giles advocated the appropriation of

and an ordinary frame of three swings. Giles advected the appropriation of \$1000 for the purposes, which would allow of the equipping of at least three parks as public playgrounds.

1. L. Weaver, first deputy city attorney, who was delegated by the board to ascertain the exact number of readings required by a resolution ere the ings required by a resolution ere the board could declare it h law, rendered report at the board meeting last night. Weaver held that, decording to common law, unusual or special resolu-tions would require the regulation three readings, one prior to advertise publication and two thereafter. This neted where a resolution provided for

the river before the eyes of the girl's father, mother and brother.

The drowning followed a violent seene between Olson and Carl Litzen, the dead girls' father. Two revolver shots from a boat on the river were fired, it is alleged by Litzen's son, as the two jumped.
